

Bethesda Nursery School Summer Program

Bethesda Nursery School's Summer Program is designed to take advantage of the naturally relaxed pace of summer. Kids have fun while learning in our spacious playground, with its perfect combination of shaded and sunny areas. Easels, bikes, slip'n' slide and sprinklers and hoses are frequent fun offerings! We seize this opportunity to explore our messiest experiences and activities are planned to stimulate creativity within independent and group play. When children and teachers are happy to be in school, we know we are on the right course!
