**The school year typically holds several family events – Potluck suppers, holiday celebrations and community building fundraisers. This year, we will plan for new and different socially distant events and only gather together when it is safe to do so. As the year progresses, if scenarios change and it becomes safe to hold our Bethesda traditions and fun family events, I will let you know of dates as soon as possible. Thank you for understanding and helping to keep our children, families and teachers safe.**
