BETHESDA SUMMER PROGRAM

The summer program at Bethesda is designed to take advantage of the naturally relaxed pace of summertime. Most play takes place out-of-doors, which utilizes the spacious playground, our equipment and the perfect combination of shady and sunny areas. Easels, bikes, slip'n slide and use of the sprinklers and hoses for cooling off are some of the daily offerings. Activities are planned to stimulate creativity in an atmosphere of having fun. We seize this opportunity to explore our messiest experiences. Parents take turns providing snack for the group and lunches are brought from home. Our constant aim is to have fun learning. When children and teachers are happy to be in school, we know we are on the right course!
